You work hard.

Your business is growing.

You've set yourself ambitious targets.

Only the best.

You're making lots of changes.

No time to hang around.

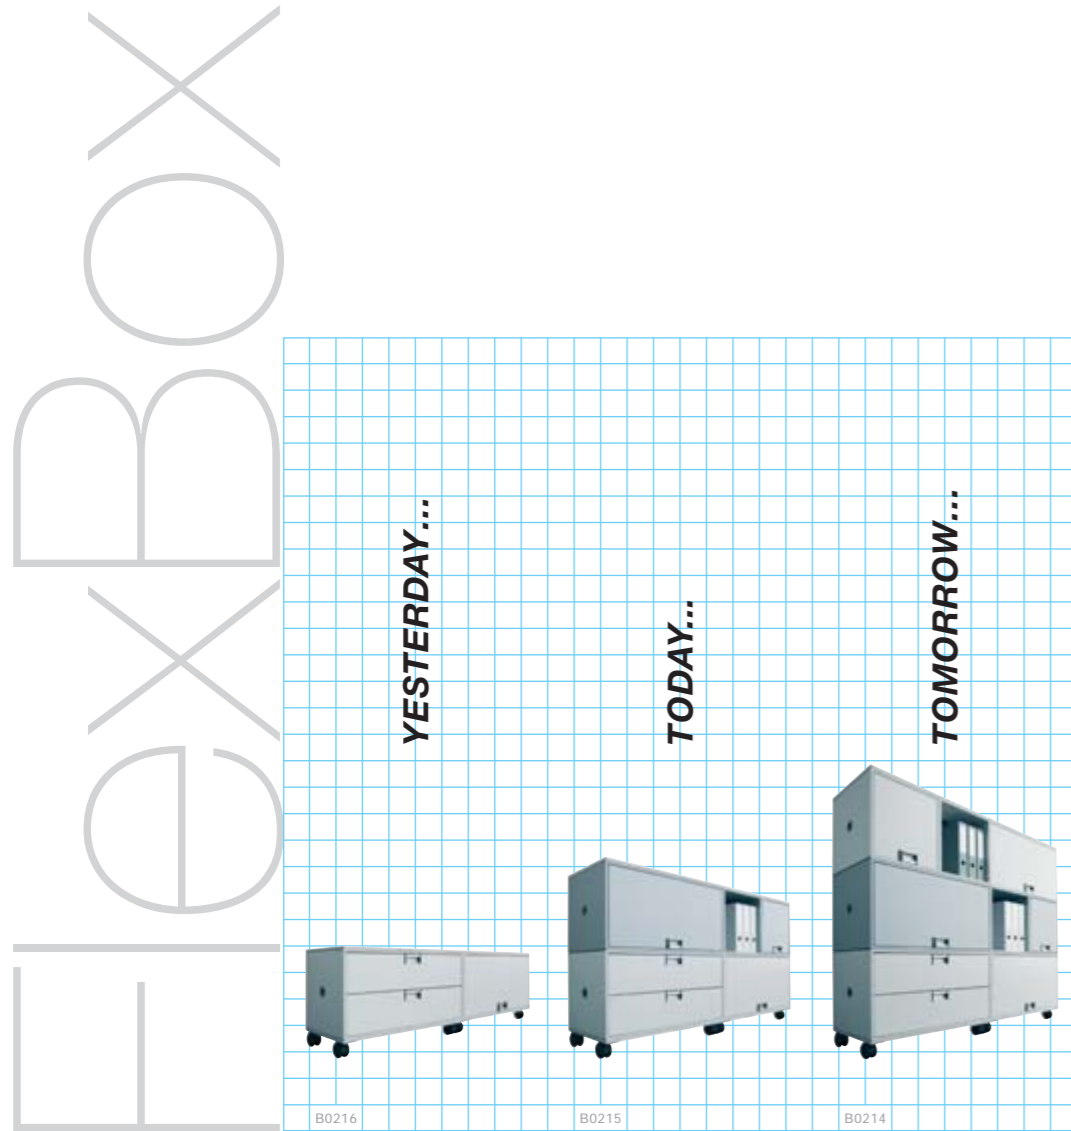

Store more intelligently with **FlexBox**

FlexBox. Life within four walls.
What's great about it: They're flexible.
Do whatever you want with them.
On top of each other. Next to each other, behind each other. With a flick of the wrist, modules can be fitted together or moved apart, combined in different configurations. Transform trolleys into shelves. Convert room partitions into enclosed cabinets. Can your four walls do that too?

An infinitely flexible system. Not a mathematical equation for the Nobel Prize, but a prize-winning furniture concept. High-quality materials, well thought-out modular principle and incredible extension possibilities. Personalised configuration, depending on usage. All within four walls. And because no-one knows what the future holds, FlexBox prepares you for everything.

Innovation Award Architecture and Office. The magazine AIT, awarded FlexBox the innovation award for architecture and office in the category, products of architectural quality, during Orgatec 2004.

Mobile FlexBox. Make your (business) life easier by taking it with you. So simple, so universal. The dimensions of the small FlexBox (400 x 400 x 400mm) are an ideal size. FlexBox also comes in bigger sizes: 800 x 400 x 400mm. Discover all the possibilities?

FlexBox as a room partition

A room inside a room. A FlexBox for everyone. Can be used from both sides, looks good all round, unarguably multifaceted. Cuts a dazzling form in the office. Separates and screens, stores and tidies, it simply fits in. Not just a flexible piece of furniture, but a firm storage statement. For offices that have more than four walls!

FlexBox makes the world more colorful and interesting

One idea, two designs, a number of variations. Completely flexible, meaning "with castors" or "feet". Trendy materials: pure, natural, tasteful. Every FlexBox is versatile, with push-in flap, file frame, single or double drawer. One thing remains a constant throughout: The sleek handle. Where you choose to place it simply depends on box combination and good taste.

One for all. Materials and colors fulfill everyone's wishes.

Flush with the floor
or raised off the
floor... FlexBox
can do both.

FlexBox as a complete office

Choose your favorite combination. You will always end up with a complete office. Storage space on both a large and a small scale. Ready-to-use open shelving landscapes. Clear and functional wall storage. Convertible in an instant. FlexBox is so quick and easy to assemble that it effortlessly keeps up with your needs. No tools, just a flick of the wrist!

FlexBox – Grows with you and your business

Creates space where there was none before. FlexBox on castors in any configuration, depending on usage.

Open or closed. Flap doesn't stay out, but is pushed back in.

FlexBox for maximum office space in minimum room space. All that a workstation needs.

FlexBox Logistics

flexible and smart.

Never before has it been so easy to create new storage space. One box, two boxes, five boxes. Buy what you need now and simply add on to suit your needs. FlexBox does not require major shipment arrangements – if in doubt, it can be delivered by courier. Assembly doesn't require much manpower either. An easy job for one man or woman. The FlexBox hallmark is its patented fast connector. All you need is one Euro. You see, FlexBox is a sound investment.
